

**AGA Year in Review Report**  
**April 1, 2019 – March 31, 2020**

Name of PCMNO Councilor	Region	Date
Tim Sinclair	Region Two	

**Introductory Message about the Work within the Region**

- Still in talks with HONI on the East West Tie
- All three Councils have been successful in distributing gloves, masks, and sanitizer supplies
- TBay has helped with gift cards and even work boots to Citizen
- Moving ahead with Student Bursaries for all three Councils
- Terrace Bay Community Well Being Fund
- The Metis Nation of Ontario donation will be applied to the beach pavilion outside lighting fixtures, which are all dark sky compliant
- TBay Council is working towards an MOU with the City of Thunder Bay.

**Highlight of Key Achievements**

Dealing with COVID-19 and still pushing ahead with our agendas with all of our Proponents.

**Highlight of Meetings / Conferences**

- With GGM to keep things going while we wait for permits and the two owners to come to an agreement
- Waiting for more permits from other Proponents from PGM, formerly Stillwater, who has restarted the EA part of their feasibility study
- Duberville/ Wawa, who is still working towards finishing their EA
- Impala, formerly LDI, have both had COVID issues but are back online. LDI recently explained their expansion to us.

**Projects Undertaken /Partnerships / Other Committee Participation**

Tbay Council has secured funding for the start of an invasive species study that will hopefully work out to a working lamprey deterrent, which can be used instead of rebuilding or employing dams that prevent the fish spawning areas.

**Other Comments**
