

INTRODUCTION TO BOATING SAFETY

FREE ONLINE TRAINING COURSE

We are inviting all Métis Nation of Ontario (MNO) citizens and their families to attend a free Introduction to Boating Safety online training course. Offered by Transport Canada, this free training opportunity is open to any and all Indigenous people.

The goal of this presentation is to ensure a safe boating environment for all.

This presentation will include:

- Why choose a Personal Flotation Device (PFD) over a lifejacket or vice versa?
- Do you know how to properly fit a lifejacket to a child?
- What to look for in a lifejacket?
- The Dangers of accidental cold water immersion
- The 1-10-1 principle
- Fueling safety to avoid explosions
- The importance of filing a sail plan
- Requirements for your motorized or human powered boat

Date:

Monday, November 30th, 2020 @ 4 PM - 5 PM (EST)

The training will be presented over the Microsoft Teams platform.

Registration required

An email invitation with the link chosen session will be sent directly to registrants
