Ideal for learners who:
• have a Grade 12 level or higher
• are looking for practical skills that will help them get entry level employment
• want to work at a mine close to their community, or travel to other mines across Canada
• want to learn workplace readiness skills through traditional and Aboriginal teaching methods

This training is for Métis Citizens in the Region 3 area. It will take place at Northern College in Timmins, Ontario on July 20th.
