I encourage all Métis Nation of Ontario citizens to let their Métis spirit shine on National Aboriginal Day as we honour the summer solstice and celebrate our culture and heritage.

National Aboriginal Day is a reminder to all Canadians of the vast contributions of Métis, First Nations and Inuit peoples from coast to coast. As this year marks the 150th anniversary of Confederation it is important to acknowledge that Métis and other Indigenous people have histories in this land that go back much further than 150 years and that the Métis played a crucial role in building the foundation of Canada.

On behalf of the Métis Nation of Ontario, I wish you, your family and friends a wonderful National Aboriginal Day!
