MNO BURSARIES

This map indicates the locations of colleges and universities across Ontario that offer MNO bursaries.

MNO BURSARIES AND SCHOLARSHIPS PROGRAM: Métis students can apply for the Métis Student Bursary Program (MSBP) at the Financial Aid Office, Aboriginal Student Liaison Centre or through Student Support Services at the participating college or university. Bursary applications are available to students following registration in the fall. Deadlines are school specific and bursary recipients are announced at the beginning of each school year.
MNO and Ontario Power Generation Energy Sector Award
available at Cambrian College

This bursary is available for Métis students who; demonstrate financial need; are Canadian citizens and permanent residents of Ontario; demonstrate current involvement in extracurricular activities; have a minimum B-average at Cambrian College & enrolled in one of the following programs: A short essay may be required.

Sault College MNO Powley Electrical Award
available at Sault College

This bursary is available for Métis students who; demonstrate financial need; are Canadian citizens and permanent residents of Ontario; are at least 18 years of age; are currently enrolled at Sault College pursuing studies in the electrical sector. A short essay may be required.

Dr. Tony Belcourt Endowment Fund for Métis in the Arts
available at Ontario College of Art and Design

Established in 2010, this bursary is available for Métis students who have demonstrated financial need; are Canadian citizens, permanent residents, or protected persons; are residents of Ontario; are enrolled in full-time or part-time undergraduate studies. Preference will be given to a Métis student pursuing research in the area of Aboriginal Visual Culture.

Métis Nation of Ontario and Detour Gold Bursary
available at Collège Boréal and Northern College

This bursary is available to MNO citizens who; live in Region 3; are not registered as an "Indian" under the Indian Act or as an Inuk on an Inuit registry; are pursuing education and training that relates to, or supports, the mining sector in Ontario – this includes students who will commonly find mining-related employment upon graduation. A written component may be required.
