1. Mission Statement

The Métis Nation of Ontario (MNO) Women’s Council is a collective body within the MNO. We are dedicated to empowering and supporting Métis women and their families by promoting physical, mental, emotional and spiritual well-being.

The MNO Women’s Council is entrusted to enhance the rights of Métis women so they can fulfill their potential in all aspects of their lives. The MNO Women’s Council will promote Métis culture, language, history, values, traditions, healthy families and communities.

We aspire to help each woman achieve personal goals and aspirations and to positively affect change in themselves and others. The MNO Women’s Council will promote and advance equal rights and a strong unified voice for each Métis woman and her family.

2. Vision Statement

The MNO Women’s Council will work within the MNO for the betterment of the Métis Nation as a whole through the empowerment and participation of Métis Nation women in Ontario.
