The Energy Sector in Ontario is looking for Indigenous people to work in the trades.

MNO Employment in Energy Project

INDIGENOUS WOMEN IN TRADES

This is a fully funded 8-month training program with an 8-week work placement in Pre-Trades for the energy industry for Ontario self-identified Indigenous participants, with a focus on women. The next session begins in September 2020.

TRAINING PROVIDED IN AN ENERGY-SECTOR FIELD, SUCH AS BUT NOT LIMITED TO:

- Electrical Techniques
- Welding Techniques
- Industrial Maintenance Techniques

Following in-class training, participants proceed to paid work placements with partners in the energy industry. Work placements will provide the vital experience to continue on in skilled trades and/or employment.

THIS GREAT OPPORTUNITY INCLUDES:

- Career counselling and resume support from Métis Nation of Ontario and partners
- Expenses eligible for coverage include: tuition; books and supplies; safety equipment; living allowances; dependent care and travel
- Training is open to Métis, First Nations and Inuit people, with a focus on women

Training is open to self-identified Indigenous participants, with a focus on women.
The next session will start in September 2020. For more information please visit www.metisnation.org or contact:
