ATTENTION: **MÉTIS NATION OF ONTARIO CITIZENS OF REGION 1**

Imagine it is 50 years in the future.
You are elders in the Métis community in Ontario.
What are you protecting? How are Métis people benefiting?

An invitation to citizens of the

Métis Nation of Ontario

On July 5, 2017 in Dryden Ontario, the Métis Nation of Ontario will be hosting a Community Meeting to discuss and confirm the results of the **Traditional Knowledge and Land Use Study** (**TKLUS**) that was prepared for the N**uclear Waste Management Organization** (**NWMO**) **Borehole Drilling Project** that is being proposed for the Ignace Area.

The community session will include an update on the NWMO project as well as a presentation on the results of the TKLUS. This session will also serve as an opportunity for the Métis community to discuss the TKLUS and share any questions and comments that you may have concerning the project and the TKLUS. The activities will begin at **5:00pm** with dinner being served shortly thereafter.
