Corporate Seal

1. The seal, an impression whereof is stamped in the margin hereof, is the seal of the Métis Nation of Ontario Secretariat (“MNO”). This seal affirms that these by-laws shall be known as the official Community Code for MNO Charter Communities.

Statement of Purpose

2. This MNO Charter Community, known as

Toronto and York Region Métis Council

Statement of Purpose

forms a part of the Métis Nation of Ontario. As such we are the democratic representatives of the citizens of the MNO who live within the geographic territory described in our *MNO Community Charter Agreement*. We seek to collectively promote our Métis culture as well as promote and foster prosperity and economic self-sufficiency within our community. We resolve to work towards the recognition and affirmation of our existing Aboriginal and treaty rights including our inherent right of self-determination and self-government. We affirm that we will represent the Métis citizens of this community under the values, principles and laws of the MNO as amended from time to time.

Interpretation, Application and Definitions

3. All words and phrases in this Community Code have the same meaning as in the *MNO By-Laws* and in the event of inconsistency, the *MNO By-Laws* prevail. In this Community Code, unless the context otherwise requires, words importing the singular number shall include the plural number, and vice versa, and references to persons shall include firms and corporations and the use of either the masculine or the feminine form does not preclude application to a person of either sex. Words importing persons shall include an individual, partnership, association, body corporate, executor, administrator or legal representative and any number or aggregate of such persons.

MNO Community Code

Definitions

4. In this Community Code the following definitions apply:
 - a. “Charter Community” means a Métis community in Ontario that has entered into and maintains in good standing a valid *MNO Community Charter Agreement*,
 - b. “Community Council” or “Council” means a duly elected body of MNO citizens that represents a Charter Community,
 - c. “citizen” means a person who is enrolled on the MNO Registry,
 - d. “good standing” means a valid *MNO Community Charter Agreement* that is recognized by MNO as active and that is not under an order of revocation or suspension by the MNO. If, in the opinion of MNO, the Community Council has ceased to effectively function for a period of 6 months, then the Community Charter is deemed to be no longer active. A Community Charter can be reactivated, with the consent of MNO, by means of a Community Council resolution, whereby the restored Community Council agrees to adopt and abide by the terms and conditions of its *MNO Community Charter Agreement*, this Community Code, the *MNO By-Laws* and the *MNO Statement of Prime Purpose*.
 - e. “PCMNO” means the Provisional Council of the MNO.
 - f. “quorum” means the number of individuals required to be in attendance at a meeting in order to constitute a decision-making body. A quorum is a fact at any given moment of time. A quorum must be present in the room for every decision or vote made. If a quorum is not present, the meeting may continue for information purposes only but may not make decisions that bind the Council.

Application

5. This Community Code shall govern the conduct of Community Councils that are Charter Communities and shall be limited to MNO citizens who live within the Community Council’s geographic territory as described in its *MNO Community Charter Agreement*.
6. Any fees or dues levied on the citizens represented by the Community Council shall be at the direction of the Council.
7. The rights of a citizen to participate in the affairs of the Community Council may be limited pursuant to the *MNO By-Laws* or the *MNO Electoral Code*. Any citizen whose rights have been so limited may appeal the decision at the next meeting of the MNO General Assembly.
