INTRODUCTION

The Métis Nation of Ontario (MNO) is seeking tenders from experienced tailors for the fabrication of historically accurate Métis footwear for the MNO Canoe Expedition Program (MCEx). This Request for Proposals (RFP) is for a quote for 25 pairs of historic Métis footwear (moccasins) and a presentation on the historical significance and utility of the clothing. This year, it is anticipated that there will be a need for up to 25 historically accurate Métis footwear sets.

It is possible that MNO will require the experienced tailor of the winning bid to be available to travel in order to facilitate proper sizing of the historically accurate Métis footwear due to volume. Dates can be coordinated and travel will be paid for by the MNO.

Selected candidates will be contacted to meet with the Canoe Expedition Planning Team to present and discuss their proposal. The MNO is open to suggestions as to approaches to deliver the services in the most cost-effective way.

OVERVIEW OF SERVICES REQUIRED

The MNO requests price quotes to fabricate historically accurate Métis footwear similar to those worn during the time period the 1800’s -1850’s in Ontario. Historic footwear will be worn by MNO canoe expedition participants making presentations about Métis people, culture, and history. All patterns and materials used to fabricate the footwear must be historically accurate. Preference will be given to candidates who have sample work and/or experience in producing historic Indigenous clothing.
