

Special Resolution to Amend the MNO Bylaws and Registry Policy and to Adopt the MNO Citizen Removal Appeals Policy

WHEREAS in 2017, the Provisional Council of the Métis Nation of Ontario (“**PCMNO**”) initiated the MNO Registry and Self-Government Readiness Review (“**Registry Review**”) based on the MNO’s foundational goal to secure the recognition of its self-government from Canada, consistent with the MNO’s *Statement of Prime Purpose*;

AND WHEREAS throughout the six-year Registry Review process, the MNO has been advancing the collective will of MNO citizens and communities, including listening to their direction as provided: (a) at numerous MNO Annual General Assemblies (“**AGA**”); (b) through the 2020 province-wide election where the issue of incomplete citizenship files was campaigned on; (c) during extensive province-wide consultations; and, (d) via a province-wide vote (“**Plebiscite**”) where all citizens over the age of 16 had the opportunity to have their voice heard on the issue;

AND WHEREAS the next step in the process, as set out in resolution #AGA220820-02—which details at length the history, context, and reasons for the Registry Review and Plebiscite—is for the PCMNO to call a special General Assembly (“**Special Assembly**”) to amend the MNO Bylaws and *MNO Registry Policy* since a clear majority (i.e., 71% or 5,898 MNO citizens) of the 8,270 MNO citizens that voted in the Plebiscite, voted in favour of removing citizens with incomplete files from the MNO Registry;

AND WHEREAS on November 25, 2022, the PCMNO also made a minor amendment to correct a typo in article 51(c) of the MNO Bylaws, and article 58 requires that any such amendment be approved at the next meeting of the General Assembly;

⁸³ 2014 amendment created the new amendments section and combined former amendment provisions.

⁸⁴ 2014 amendment moved and replaced previous first sentence of s. 34.1 "Amendments to the MNO's Statement of Prime Purpose, Bylaws or policies previously adopted by the general assembly are special business."

⁸⁵ 2014 amendment incorporated previous clause 39.1 into this clause, previously read, "In the event that the Bylaws of the MNO have been amended by the PCMNO, the amended Bylaws shall be approved at the next annual meeting of the general assembly", added "Special Resolution" and "next" and deleted "requiring an affirmative vote of at least two-thirds (2/3) of the eligible voters registered at noon on the first business day of the General Assembly" which is now part of the definition of "Special Resolution." ⁸⁶ 2014 amendment replaced previous version “The Bylaws of the MNO may be repealed or amended by resolutions passed by an affirmative vote of at least two-thirds of the eligible voters registered at noon on the 1st business day of a general assembly.” July 2007 amendment added “at noon”. June 7 – 8, 2001 amendment, previously read “...by an affirmative vote of at least two-thirds of the eligible voters at a meeting of the General Assembly”. Previously amended June 19, 1996.

⁸⁸ 2014 amendment moved and replaced second sentence of previous 34.1, “For greater certainty, resolutions to amend MNO policies that have not been previously adopted by the general assembly are not special business.”

Appendix A Statement of Prime Purpose

Where We Got Our Name

“The paternal ancestors of the Métis were the former employees of the Hudson Bay Northwest Fur Companies, and their maternal ancestors were Indian women of the various tribes. The French word *Métis* is derived from the Latin participle *mixtus*, which means “mixed”; in French *mêlé*; it expresses well the idea that is sought to be conveyed. However appropriate the corresponding English expression ‘Halfbreed’ might have been for the first generation of the mixture of blood, now that European blood and Indian blood are mixed in every degree, it is no longer general enough.

The French word *Métis* expressed the idea of this mixture in the most satisfactory manner possible, and thus becomes a proper race name ... why should we care to what degree exactly of mixture we possess European blood and Indian blood? If we feel ever so little gratitude and filial love toward one or the other, do they not constrain us to say: We are Métis!”

- Louis Riel, 1885¹⁰²

Who We Are As a People

We, the Métis are a people of the lands, which gave rise to our history and tradition and culture.

We call those lands the Métis Homelands. The Homelands stretch from the lakes and rivers of Ontario; cross the wide prairies, traverse the mountains into British Columbia and into the northern reaches of the Northwest Territories. They include the hills and valleys of the north-central American States.

These are our lands. They are Métis lands. They are the lands of our past which nurture us today and which we value as the precious foundation of our future.

As Métis who live in the Homelands, we hold it to be a fundamental truth that we are one of the Aboriginal peoples of the Americas.

The Métis Nation continues today to be the embodiment of our past, the source of sustenance for our present while giving rise to our hopes and aspirations for the future.

We are a Nation, born of independence, and self-sufficiency whose teachings are founded on the values of honesty and truth. We are proud of our rich heritage. We

are inspired by the values and traditions of our ancestors. The strength of our society is based on democracy, freedom, fairness, equality, generosity, justice and the customary and written law of our people. Above all, we cherish harmony and peace.

As Aboriginal people we hold sacred the rights of the individual and of the collective. We have respect for each other, for the land and for the animal and plant life that surrounds us. We are people who honour and respect the family, our elders who hold the key to the past, and our children, who are our future.

Guided by our spiritual values we aspire to attain our highest potential.

Now Therefore We Declare as Follows:

We, the Métis Nation, are a distinct Nation among the Aboriginal peoples in Canada and as such our Aboriginal and treaty rights are recognized and affirmed under Section 35 of the *Constitution Act, 1982*.

We, the Métis Nation, have the inherent right of self-determination and self-government;

We, the Métis who live within the Métis Homelands of Ontario, desiring to bind our people together to collectively promote our common cultural, social, political, and economic well-being, have founded the Métis Nation of Ontario, to be our representative body with the following aims and objectives:

- to research, publish and promote the genealogical documentation of the Métis, and to establish and maintain a registry of the Métis Citizens of Ontario;
- to establish democratic institutions based on our inherent right of self-government;
- to encourage the full participation of all Métis in the Métis Nation;
- to promote and foster community development;
- to re-establish land and resource bases;
- to protect and preserve the land and waters within our homelands for future generations;¹⁰³
- to develop prosperity and economic self-sufficiency within the Métis Nation;

¹⁰³ Amended by 2015 MNO AGA in Midland (AGA-SPECRES2015-003) by adding this additional objective.

- to provide care and support necessary to meet the fundamental needs of the citizens of the Métis Nation;
- to promote the improved health and wellness of the individual, the family and the whole Métis community;
- to establish effective means of communication for the Métis Nation;
- to encourage academic and skills development and to enable citizens of the Métis Nation to attain their educational aspirations;
- to promote the history, values, culture, languages and traditions of the Métis Nation and to create an awareness of our proud heritage;
- to promote Métis artistic and cultural achievement;
- to ensure that Métis can exercise their Aboriginal and Treaty rights and freedoms and in so doing, act in a spirit of cooperation with other Aboriginal and non-Aboriginal people;
- to establish good relations and maintain our historic alliances with all Aboriginal peoples for the pursuit of our common interests and goals;¹⁰⁴
- to continue our affiliation with the Métis National Council for the representation of the interest of the Métis Nation in Ontario at the National and International levels; and
- to gain the recognition and respect of the Métis as a Nation and a people.

¹⁰⁴ Amended by 2015 MNO AGA in Midland (AGA-SPECRES2015-003) by adding “and maintain our historic alliances”.

Context and Application of the Policy

All individuals applying for citizenship within the Métis Nation of Ontario (“MNO”) must follow and meet the requirements of the MNO Registry Policy (the “Policy”). Collectively, this Policy includes this document as well as the attached guidelines, backgrounder and two appendices. Nothing in this Policy alters the MNO Bylaws or the MNO’s definition for citizenship. This Policy provides guidance on how the MNO Bylaws and the MNO’s definition for citizenship are to be interpreted. It also outlines the administrative processes to be followed for registration. The MNO Registrar must follow the MNO Registry Policy.

Self-Identification

This means that applicants to the MNO Registry must see themselves and identify themselves as distinctly Métis. This requires that individuals make a positive choice to be culturally and identifiably Métis. Being Métis is to be part of a proud and old culture and aboriginal society.

If an individual identifies as an Indian (whether status, non-status, treaty or non-treaty) one is identifying as a different aboriginal people—not as Métis. An individual does not become Métis because one is simply not permitted to register as an Indian or Inuit. An individual is not Métis if they are registered as an Indian or Inuit on another aboriginal registry. An individual is not Métis simply because he or she has some aboriginal ancestry, but does not have Indian or Inuit status. An individual does not become Métis simply because he or she has Indian ancestry with parents who do not live on a reserve or parents who cannot pass on Indian status to them.

Proving Historic Métis Nation Ancestry

This means that an applicant must have an ancestral connection to the historic Métis society (the “Historic Métis Nation”). This requires a genealogical connection to a “Métis ancestor”²—not an Indian or aboriginal ancestor. This Métis ancestor must be connected to the Historic Métis Nation.

¹ The MNO Registry Policy has been in place—as an interim policy adopted by PCMNO—since March 2009. In August 2014, the Policy was formally adopted by special resolution of the 21st MNO AGA. Further amendments to the Registry Policy were made by the 2015 and 2019 MNO AGAs.

² Many historic documents identify mixed-race aboriginal individuals using terms other than “Métis”. Such terms may include but are not limited to: chicot, bois-brule, half-breed, French breed, other breed, etc. There is no requirement that an applicant must provide a document that specifically uses the term “Métis”. Documents using these other descriptive terms may, taken together with other evidence, be acceptable as proof of Métis ancestry.

Connection to the Historic Métis Nation means that an applicant's "Métis ancestor" must have identified or been identified by others as a Métis who lived in the Historic Métis Nation Homeland at a time after the Historic Métis Nation came into being, which is generally considered to be the late 1700s. In light of this, and without more, evidence of an Indian or aboriginal ancestor who lived outside the Métis Nation Homeland prior to the late 1700s does not provide sufficient proof that an applicant is Métis. Moreover, and without more, evidence of an individual having an Indian or aboriginal ancestor who lived within the Métis Nation Homeland prior to the late 1700s does not provide sufficient proof that an applicant is Métis.

For the purposes of identifying whether the applicant's Métis ancestor was living within the Historic Métis Nation Homeland, the Métis Nation Homeland is considered the land that the historic Métis Nation lived in, used and occupied as its traditional territory. The Historic Métis Nation Homeland was quite large and the limits were not clearly defined. It is a general theory that this territory covered "west central North America" or the "North West" but there were also no hard borders to the Historic Métis Nation Homeland.

The MNO asserts that the Historic Métis Nation Homeland in Ontario is the territory identified in the map attached as Appendix A. If an applicant can demonstrate a genealogical connection to a Métis ancestor who identified or was recognized as a Métis who lived in this territory in the late 1700s or later, that will suffice to demonstrate an ancestral connection to a Métis ancestor. In applying this policy statement, the MNO recognizes that its identified Métis traditional territories are not defined with absolute precision. So, for example, if an applicant has a Métis ancestor who lived just outside one of these identified Métis traditional territories or over the United States or Quebec border the applicant may meet the requirement for demonstrating a Métis ancestor.

Community Acceptance

This means being accepted as Métis by the rights-bearing Métis collective-the Métis Nation. It is part of the basic theory of "peoplehood" that the people defines itself and its citizens. While many may lay claim to being Métis Nation citizens, it is the role of the people themselves to determine who its citizens are and the terms on which those citizens will be accepted. The Métis Nation is not obliged to accept all claimants. The Métis Nation is in the process of developing national guidelines for acceptance and enrolment. In the meantime, the MNO, as the representative government of the Métis Nation in Ontario, accepts all applicants who meet its registration requirements by registering them with the MNO. Registration as a citizen of MNO constitutes acceptance by the rights-bearing Métis community the Métis Nation.

Within 6 months of submitting their application to the MNO Registry, an applicant whose application is not complete or has not been approved by the MNO Registrar shall be notified in writing. Such notice shall contain the reason(s) the application is not approved (i.e. more information needed, failure to establish that the claimed Métis ancestor is Métis, etc.). If the application is incomplete, the onus is on the applicant to provide the needed information to the MNO Registry. There is no appeal process for applications that are incomplete. If the application has not been approved for other reasons, applicants have two levels of appeal, as set out below.

Appeals

The MNO will have a two-stage appeal process. The first stage is a reconsideration of the application by the Registrar. Stage one is a prerequisite for stage two. In stage two an applicant may appeal the reconsideration decision of the Registrar. That appeal application will be reviewed by an independent genealogist with experience in Métis genealogy. The decision of the appeal genealogist will be final and binding on MNO and the applicant. All applications for reconsideration and appeals must be in writing. All reconsideration decisions of the Registrar and appeal decisions by the independent genealogist shall be in writing with reasons and shall be delivered in a timely manner. The MNO may impose fees on applicants for reconsiderations and appeals. In the event that finances are not provided from government to support the Registry, the appeal process may be streamlined or terminated.

Independent and Confidential Registry

MNO shall maintain the Registry as a confidential registry and shall not permit any access to individual files of registry decision making by anyone other than registry personnel and the Registrar. No PCMNO members shall take part in the decision-making with respect to any individual files. No information shall be disclosed from any file except with consent of the applicant or citizen or for research subject to a formal agreement that governs how the information will be used and protected.³

Security

The MNO shall make every effort to protect the Registry from fire, theft, mischief and loss of electronic data.

Pending Applications

The MNO shall only accept files that are complete. Only files that are complete will be listed as pending applications. If a file is incomplete or rejected the MNO Registrar will notify the applicant within a timely manner.

³ The 2015 MNO AGA replaced “from any file without the consent” with “from any file except with consent” and added the phrase “or for research subject to a formal agreement...”.

General

1. The MNO Registry shall be in two separate parts—a Citizenship Registry and a Harvesters Registry.
2. The Registrar shall be solely responsible to register applicants for MNO citizenship.
3. All personal information in the Registry shall remain confidential and no personal information from a file may be disclosed to anyone, including members of the PCMNO, without the consent of the applicant or citizen or for research subject to an agreement that governs how the information will be used and protected.⁴
4. The Registrar shall only register applicants who are citizens of the Métis Nation within the meaning of the Métis Nation Citizenship Definition in the MNO Registry Policy—Backgrounder.
5. ~~No registered MNO citizens will be removed from the MNO Registry unless the Registry receives (a) written consent from that registered citizen; or (b) proof that the citizen is registered as an Indian under the *Indian Act* or is registered as an Inuit or other Aboriginal person under a modern-day land claims agreement.~~ Registered MNO citizens may request, in writing, to have their names removed from the MNO Registry.⁵
6. It is the responsibility of the applicant to provide all of the required documents to support an application.
7. Applications that are incomplete will not be accepted for registration.
8. Many historic documents identify mixed-race aboriginal individuals using terms other than “Métis”. Such terms may include but are not limited to: chicot, bois-brule, half-breed, French breed, other breed, etc. There is no requirement that an applicant must provide a document that specifically uses the term “Métis”. Documents using these other descriptive terms may, taken together with other evidence, be acceptable as proof of Métis ancestry.

⁴ The 2015 MNO AGA replaced “shall be kept strictly confidential” with “shall remain confidential” and added the phrase “or for research subject to an agreement...”. These amendments permit the MNO to continue its health research partnership with the Institute for Clinical Evaluative Sciences and to pursue other research relationships.

⁵ The 2015 MNO AGA added the phrase “unless the Registry receives (a)” and clause (b).

9. Evidence provided in support of an application may include but is not limited to scrip applications, photographs, census records, church records, diaries, journals, secondary sources, government documentation, etc.

Applications

10. Repealed.⁶
11. Repealed.⁷
12. Each applicant must provide a head and shoulders photograph of the applicant.
13. Each applicant must sign a waiver permitting access to his or her file for aggregate data. This waiver will not permit access to personal information without the prior consent of the applicant.
14. Each applicant must pay any required application fee.
15. A completed MNO citizenship application form shall include the following information:
 - a. Full name of applicant;
 - b. Address or place(s) of residence;
 - c. Date of birth;
 - d. Marital status (optional);
 - e. The name of any spouse of the applicant (optional);
 - f. The dates of any marriages of the applicant (optional);
 - g. The names and dates of birth of any children of the citizen; and
 - h. The full name and date of birth of that citizen's mother and father.

Self Identification as Métis

16. Each applicant must sign a declaration that they self-identify as Métis.
17. Each applicant must sign a declaration that they are not registered on another aboriginal registry and are not registered as an Indian under the *Indian Act*. For

⁶ The 2019 MNO AGA repealed this clause which previously read: "Each applicant must provide proof that he or she is ordinarily resident in Ontario."

greater certainty, Métis National Council membership lists or registries are not considered “another aboriginal registry” and applicants may be concurrently registered or have membership in the Manitoba Métis Federation, Métis Nation-Saskatchewan, Métis Nation of Alberta or the Métis Nation of British Columbia.

Proof of Historic Métis Nation Ancestry

18. The applicant must prove Historic Métis Nation ancestry by providing evidence of a genealogical connection to a Métis ancestor who lived in the Historic Métis Nation Homeland after 1750.
19. There is some flexibility with respect to the exact boundaries of the Métis Nation Homeland. For example, proof that an applicant’s ancestor lived just over the Ontario border in the United States or in Quebec may meet the requirement for demonstrating a Métis ancestor.
20. An applicant must provide documentary proof that links the applicant through each generation to a Métis ancestor.
21. Without more, genealogical proof that the applicant had an Indian ancestor is not sufficient to prove Métis ancestry.
22. Without more, genealogical proof that the applicant had a mixed-race ancestor who lived outside the Historic Métis Nation Homeland is not sufficient to prove Métis ancestry.
23. Without more, genealogical proof that an applicant had a mixed-race ancestor who lived prior to 1750 is not sufficient to prove Métis ancestry.

Community Acceptance

24. The MNO, as the representative government of the Métis Nation in Ontario, accepts all applicants who meet its registration requirements by registering them with the MNO.
25. Registration as a citizen of MNO constitutes acceptance by the rights-bearing Métis community – the Métis Nation.

Harvesters Registry

26. An MNO citizen may apply for a Harvesters Card and shall provide a Captain of the Hunt with proof of the following:
 - a. that he or she is ordinarily resident in and intends to participate in the Métis harvest in his or her traditional territory; and
 - b. if the applicant intends to use firearms or a bow in the Métis harvest, he or she must demonstrate sufficient knowledge of firearms or bow hunting safety or completion of a firearms safety course.

27. Captains of the Hunt shall forward completed applications for Harvesters Cards to the MNO Registry.
28. Harvesters Cards shall have a term of validity of 3 years, which term shall begin from the date of issue.
29. The fee for a Harvesters Card shall be as set by the PCMNO from time to time.
30. An application for renewal of a Harvesters Certificate shall be sent to the applicant's Captain of the Hunt, who shall sign the renewal application form and forward it to MNO for processing.

Appeals

31. Within 6 months of submitting an application to the MNO Registry, an applicant whose application is not complete or has not been approved by the MNO Registrar shall be notified in writing. Such notice shall contain the reason(s) the application is not approved (i.e., more information needed, failure to establish a Métis ancestor, etc.).
32. If the application is incomplete, the onus is on the applicant to provide the needed information to the MNO Registry.
33. There is no appeal or reconsideration for applications that are determined by the MNO Registry to be incomplete.
34. If the application has not been approved for reasons other than being incomplete, an applicant may ask, in writing, to have the decision of the MNO Registrar reconsidered by the MNO Registrar.
35. Written requests for reconsideration must include the grounds for the challenge and may include additional documentation in support of the challenge.
36. Upon receipt of the written request for reconsideration, the MNO Registrar shall consider all the materials in the applicant's file and may consider any additional information during the reconsideration process.
37. The MNO Registrar shall provide a written response to the reconsideration request within 90 days of receiving such request.
38. Reconsideration is a necessary prerequisite to filing an appeal.
39. An applicant may appeal the MNO Registrar's reconsideration decision by:
 - a. in relation to citizenship, completing a MNO Citizenship Final Appeal Request Form. A copy of this Form is attached as Appendix B; or

- b. in relation to a Harvester’s Card, completing a MNO Harvester’s Card Final Appeal Request Form. A copy of this Form is attached as Appendix C; and
 - c. including a payment of \$250.00 to the MNO for the administrative costs associated with the appeal.⁸
40. Upon receipt of the required materials in support of the appeal, the MNO Registrar shall forward the contents of the applicant’s file to an independent, qualified genealogist with experience in Métis genealogy for review and consideration of the applicant’s appeal.
41. This genealogist will review the documents in the applicant’s file based on the MNO Registry Policy, Guidelines, Backgrounder and MNO Harvesting Policy (if applicable). Upon completion of the genealogist’s review, he or she may either uphold or overturn the Registrar’s determination. A letter from the genealogist setting out his or her decision, with reasons, will be provided to the MNO Registrar and the applicant. A copy of the decision shall be placed in the applicant’s file. The decision of the independent genealogist will be final and binding on the parties to the appeal.⁹⁵
42. An applicant must exhaust the MNO reconsideration and appeal process prior to filing any claim or action in a court.

⁸ The 2015 MNO AGA added the phrase “in relation to citizenship” in clause “a” and all of clause “b” as well as the MNO Harvester’s Card Final Appeal Request Form attached as Appendix C.

⁹ The 2015 MNO AGA added the phrase “and MNO Harvesting Policy (if applicable).”

Registry Policy Backgrounder

(August 2019)

The Métis Nation of Ontario Statement of Prime Purpose

The following are relevant excerpts from the MNO Statement of Prime Purpose, which was adopted when the MNO was initially created:

Who We are as a People

We, the Métis are a people of the lands, which gave rise to our history and tradition and culture. We call those lands the Métis Homelands. The Homelands stretch from the lakes and rivers of Ontario; cross the wide prairies, traverse the mountains into British Columbia and into the northern reaches of the Northwest Territories. They include the hills and valleys of the north-central American States. These are our lands. They are Métis lands. They are the lands of our past which nurture us today and which we value as the precious foundation of our future. As Métis who live in the Homelands, we hold it to be a fundamental truth that we are one of the Aboriginal peoples of the Americas....

Now Therefore We Declare as Follows:

We, the Métis Nation, are a distinct Nation among the Aboriginal peoples in Canada and as such our Aboriginal and treaty rights are recognized and affirmed under Section 35 of the Constitution Act, 1982. We, the Métis Nation, have the inherent right of self-determination and self-government;

We, the Métis who live within the Métis Homelands of Ontario, desiring to bind our people together to collectively promote our common cultural, social, political, and economic well-being, have founded the Métis Nation of Ontario, to be our representative body with the following aims and objectives:

- to research, publish and promote the genealogical documentation of the Métis, and to establish and maintain a registry of the Métis Citizens of Ontario; ...

The Historic Métis Nation and the Historic Métis Nation Homeland

The Métis are the children of the fur trade and the unions between Indian women and Euro-Canadian men in what was historically known as west central North America or the North West. While the children of the earliest Indian and Euro-Canadian unions had mixed ancestry, the creation of a distinct Métis identity and culture was a process that took some time. It was the subsequent intermarriages between these men and women of mixed ancestry that resulted in the genesis of a new aboriginal society by the late 1700s, which we call the Historic Métis Nation.

The Historic Métis Nation developed a collective identity and consciousness, a language (Michif with regional dialects), a distinctive culture and a way of life. The Historic Métis Nation lived in, used and occupied a large territory from Ontario to British Columbia and includes parts of the Northwest Territories and the northwestern United States. The Métis call this area the Métis Nation Homeland.

The members of the Historic Métis Nation were highly mobile. They moved regularly throughout the Métis Nation Homeland as they exercised their customs, practices and traditions and participated in the fur trade, the buffalo hunt and other cultural, social and economic institutions that were important to their existence. Members of the Historic Métis Nation established their own distinct settlements within the Métis Nation Homeland and lived in or used other settlements established by Indians and non-aboriginal peoples. The mobility of the members of the Historic Métis Nation maintained their extensive kinship connections throughout their Homeland.

Today, the Historic Métis Nation continues and refers to itself and is referred to by others as the Métis Nation. The Métis Nation's contemporary assertions of aboriginal nationhood are grounded on well-recognized international principles for the recognition of Indigenous people, which includes a shared identity, history, culture, language and territory.

The Royal Commission on Aboriginal Peoples

In 1996, the Royal Commission on Aboriginal Peoples recognized the principle that aboriginal citizenship must be determined by the aboriginal nation itself. Specifically, in relation to Métis citizenship, the Commission recommended that:

Every person who

- (i) identifies himself or herself as Métis and
- (ii) is accepted as such by the nation of Métis people with which that person wishes to be associated, on the basis the criteria and procedures determined by that nation be recognized as a member of that nation for the purposes of a nation-to-nation negotiations and as Métis for that purpose.

The Métis National Council Definition

In September 2002, after years of discussion, the Métis National Council General Assembly unanimously adopted a National Definition for Citizenship within the Métis Nation (“Métis Nation Citizenship Definition”). In doing so, the Métis Nation exercised its inherent right to define itself and its citizenship.

The Métis Nation Citizenship Definition reads as follows:

Métis means a person who self-identifies as Métis, is of historic Métis Nation Ancestry, is distinct from other Aboriginal Peoples and is accepted by the Métis Nation.

“Historic Métis Nation” means the Aboriginal people then known as Métis or Half-Breeds who resided in Historic Métis Nation Homeland.

“Historic Métis Nation Homeland” means the area of land in west central North America used and occupied as the traditional territory of the Métis or Half-Breeds as they were then known.

“Métis Nation” means the Aboriginal people descended from the Historic Métis Nation, which is now comprised of all Métis Nation citizens and is one of the “aboriginal peoples of Canada” within s.35 of the *Constitution Act, 1982*.

“Distinct from other Aboriginal Peoples” means distinct for cultural and nationhood purposes.

R. v. Powley

In 2003, the Supreme Court of Canada handed down its reasons for judgment in *R. v. Powley*. That case set out a general definition of Métis and made several observations that are relevant to a discussion about who is Métis for constitutional purposes. With respect to the identification of the Métis community, the Supreme Court held that,

[12] A Métis community can be defined as a group of Métis with a distinctive collective identity, living together in the same geographic area and sharing a common way of life.

[17] The inclusion of the Métis in s. 35 represents Canada’s commitment to recognize and value the distinctive Métis cultures, which grew up in areas not yet open to colonization ...

With respect to identification of Métis individuals, the Supreme Court held that,

[31] ... the claimant must self-identify as a member of the Métis community. This self-identification should not be of recent vintage...

[32] ... the claimant must present evidence of an ancestral connection to the historic Métis community...

[33] ... the claimant must demonstrate that he or she is accepted by the modern community whose continuity with the historic community provides the legal foundation for the right being claimed...

[49] ... The development of a more systematic method of identifying Métis rights-holders for the purpose of enforcing hunting regulations is an urgent priority.

The Métis Nation of Ontario Definition

In July 2004, the MNO as the Métis government representing the Métis Nation in Ontario, adopted the Métis Nation Citizenship Definition by consensus at its Annual General Assembly.

As well, the Métis Nation Citizenship Definition has been adopted by other Métis governments representing the Métis Nation across the Métis Nation Homeland. These Métis governments include the Manitoba Métis Federation, Métis Nation – Saskatchewan, Métis Nation of Alberta and Métis Nation British Columbia. All of these Métis Nation governments are now in the process of implementing the Métis Nation National Definition.

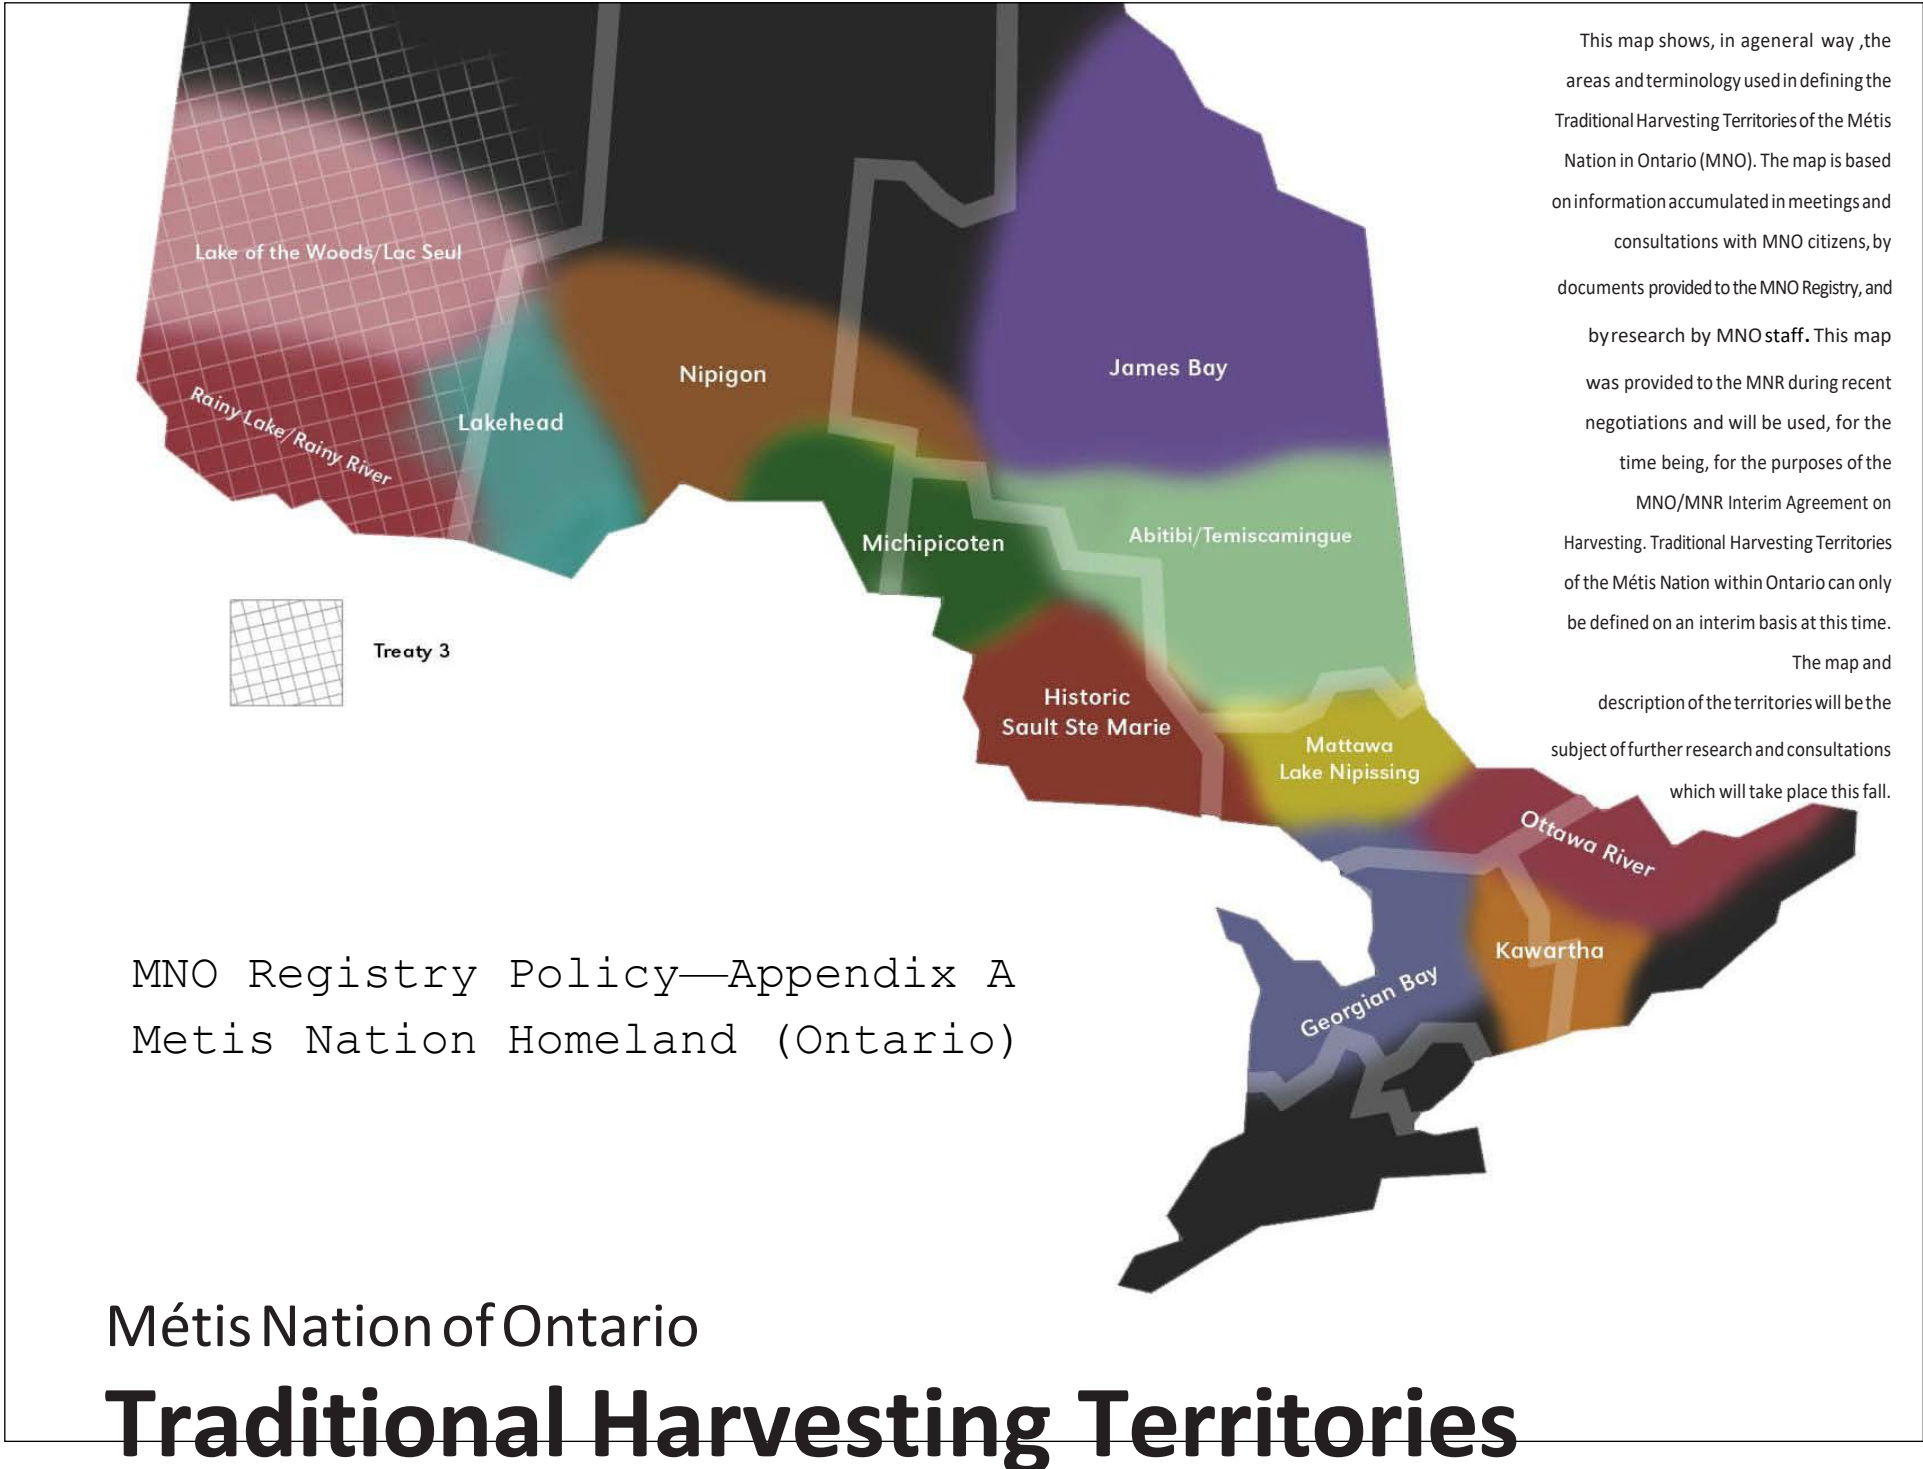

In Ontario, the MNO is implementing the Métis National Definition through its Registry process. The MNO Registry is based on the Métis Nation's inherent right to register and identify its citizens based on its own customs, practices and traditions. As the representative government of the Métis Nation within Ontario, the MNO Registry is mandated to register and identify all citizens of the Métis Nation who live in Ontario.

United Nation Declaration on the Rights of Indigenous People

In 2007, the right of an aboriginal people to determine its own identity and citizenship, in accordance with its own customs, practices and traditions, is recognized in international law.

Article 33 of the United Nation's *Declaration on the Rights of Indigenous People* reads:

1. Indigenous peoples have the right to determine their own identity or membership in accordance with their customs and traditions. This does not impair the right of indigenous individuals to obtain citizenship in the States in which they live.
2. Indigenous peoples have the right to determine structures and to select the membership of their institutions in accordance with their own procedures.

This map shows, in a general way, the areas and terminology used in defining the Traditional Harvesting Territories of the Métis Nation in Ontario (MNO). The map is based on information accumulated in meetings and consultations with MNO citizens, by documents provided to the MNO Registry, and by research by MNO staff. This map was provided to the MNR during recent negotiations and will be used, for the time being, for the purposes of the MNO/MNR Interim Agreement on Harvesting. Traditional Harvesting Territories of the Métis Nation within Ontario can only be defined on an interim basis at this time.

The map and description of the territories will be the subject of further research and consultations which will take place this fall.

Policy #2023-001: Citizen Removal Appeals Policy

(Adopted by the MNO Special Assembly held on June 17, 2023)

1. Policy Name, Definitions, and Effective Date

This policy, entitled, MNO Policy #2023-001: *Citizen Removal Appeals Policy* (the “**Policy**”), is authorized pursuant to the MNO Bylaws and is effective as of June 17, 2023 (the “**Effective Date**”).

The Policy makes use of defined terms in the MNO Bylaws, unless otherwise specified in the Policy.

2. Background and Context for the Policy

In 1993, the MNO adopted its *Statement of Prime Purpose* as a foundational document that sets out the following aims and objectives, among others:

- “to establish democratic institutions based on our inherent right of self-government,”
- “to research, publish and promote the genealogical documentation of the Métis,” and
- “to establish and maintain a registry of the Métis Citizens of Ontario.”

Over the last 30+ years, the MNO has—based on the inherent Métis right to self-government—changed its definition of “Métis” for the purposes of citizenship within the MNO Bylaws to reflect the direction and will of its citizens and the Métis communities comprised of those citizens. Since its creation, MNO AGAs have repeatedly amended the MNO Bylaws to ensure Métis rights-holders and Métis communities are being represented by Métis.

In 2004, the MNO AGA adopted a new definition of “Métis” within the MNO Bylaws. In 2014, the *MNO Registry Policy* was formally adopted to provide further clarity on “who” the MNO represents as well as clear direction to the Registrar on the documentary requirements each MNO citizen must meet for their citizenship file to be considered “complete.”

In addition, given the utmost priority the MNO places on the advancement of collectively-held Métis rights, self-government, and claims against the Crown, the MNO—as a Métis government—needs to be able to verify it represents Métis rights-holders in its negotiations with other governments, and ensure the Métis communities it represents are being represented by verified Métis rights-holders. As the Supreme Court of Canada recognized in *R. v. Powley* based on arguments advanced by the MNO:

It is important to remember that, no matter how a contemporary community defines membership, only those members with a demonstrable ancestral connection to the historic community can claim a s. 35 right. Verifying membership is crucial, since individuals are only entitled to exercise Métis aboriginal rights by virtue of their ancestral connection to and current membership in a Métis community.

Policy #2023-001: Citizen Removal Appeals Policy

(Adopted by the MNO Special Assembly held on June 17, 2023)

In 2017, as a part of its mandate to engage in negotiations and reach agreements with other governments to recognize and respect Métis rights, self-government, and claims, the MNO initiated a Registry Review. This review included an assessment of all MNO citizenship files to determine whether they are “complete” or “incomplete” based on the current citizenship requirements set out in the MNO Bylaws and the *MNO Registry Policy*. “[I]ncomplete” files include those with missing documentation or other necessary forms. All MNO citizens have been made aware of the status of their file by the Registrar.

In May 2021, the results of the Registry Review were released, and province-wide consultations were undertaken throughout 2021 and 2022. In the summer of 2022, a “What We Heard” report from these consultations was publicly released.

In August 2022, the MNO AGA adopted a resolution directing the MNO to hold a province-wide plebiscite (“**Plebiscite**”) asking all MNO citizens over the age of 16 years whether individuals with “incomplete” citizenship files should be removed as citizens, and for the PCMNO to call a Special Assembly based on the results of the Plebiscite.

The Plebiscite was held over an 82-day period between December 8, 2022 and February 28, 2023 based on Métis democratic traditions that all citizens have the right to be heard. MNO citizens across the province voted online, via phone or by mail-in ballots. MNO citizens with “complete” and “incomplete” files were allowed to vote in the Plebiscite.

8,270 MNO citizens cast ballots in the Plebiscite, representing the largest voter turnout the MNO has ever had in its 30+ year history. A clear majority (5,898 citizens representing 71% of total votes cast) voted to remove individuals with “incomplete” citizenship files as MNO citizens.

On April 28, 2023, the PCMNO called a Special Assembly under the MNO Bylaws to follow through on the direction of the 2022 MNO AGA and to give effect to the will of MNO citizens as demonstrated through the Plebiscite.

At the Special Assembly held on June 17, 2023, this Policy was adopted to put in place a process for individuals who want to appeal their impending removal as an MNO citizen.

This Policy reflects the desire to ensure all MNO citizens have been provided with reasons from the Registrar as to why their citizenship file does not meet the MNO’s current requirements, and to potentially identify any administrative oversights or errors made by the Registrar in determining a citizenship file does not meet the MNO’s current citizenship requirements.

The Policy also exceeds the minimum removal requirements set out under section 51 of the *Not-for-Profit Corporations Act*.

Policy #2023-001: Citizen Removal Appeals Policy

(Adopted by the MNO Special Assembly held on June 17, 2023)

3. The Citizen Removal and Appeal Process

The removal and appeal process set out below shall apply if the Registrar determines that an MNO citizen does not meet the current requirements for MNO citizenship as set out in the MNO Bylaws and the *MNO Registry Policy*.

Stage 1: Removal Notice

1. The Registrar shall provide written notice to the affected individual confirming the individual's pending removal as an MNO citizen 90 days from receipt of the written notice (the "**Removal Notice**"). The Removal Notice shall be sent to the MNO citizen's email address or last known mailing address, if the MNO Registry does not have an email for the MNO citizen.¹
2. If an MNO citizen does not have a current email or mailing address on file and the MNO Registry has, on at least three prior occasions, attempted to follow up with the MNO citizen without success, the MNO citizen is deemed to have waived receipt of notice, including of their Removal Notice, and is still subject to removal pursuant to step 3 below. The onus is on each MNO citizen to provide the Registrar with up-to-date contact information and the documentation necessary to complete their citizenship file.
3. An MNO citizen subject to a Removal Notice shall be removed from the MNO Registry and cease to be an MNO citizen immediately following the conclusion of the 90 days' notice period, unless the citizen appeals the Registrar's decision in accordance with this Policy and the process set out below. An MNO citizen who has filed an appeal shall remain as an MNO citizen pending a final determination in their appeal under this Policy.

Stage 2: Filing an Appeal

4. An MNO citizen subject to removal may appeal their Removal Notice. Due to the fact-specific nature of each MNO citizen's file, appeals will be determined on an individual, case-by-case basis, and cannot be combined with another citizen's appeal (i.e., no "group" appeals). In addition, and consistent with the confidentiality requirements in the *MNO Registry Policy*, information under this Policy cannot be shared with or disclosed to anyone other than the affected MNO citizen, subject to the consent requirements under the *MNO Registry Policy* being satisfied.
5. An MNO citizen may only appeal their Removal Notice on one or a combination of the following appeal grounds:
 - (a) insufficient notice has been provided to the MNO citizen based on this Policy;

¹ Under this Policy, a document sent by mail is deemed to have been received on the fifth day after it was sent, and a document sent by email is deemed to have been received immediately after it was sent unless notification is provided otherwise (e.g., a bounce back or undeliverable message).

Policy #2023-001: Citizen Removal Appeals Policy

(Adopted by the MNO Special Assembly held on June 17, 2023)

- (b) the citizen has not been provided written reasons from the Registrar as to why their citizenship file is “incomplete” based on the current requirements for citizenship set out in the MNO Bylaws and *MNO Registry Policy*; or
 - (c) the citizen has identified an existing record or document in their citizenship file that the Registrar failed to consider, which fully addresses the reasons why the Registrar has determined they do not meet the current requirements for citizenship set out in the MNO Bylaws and *MNO Registry Policy*.
6. To file an appeal, the affected MNO citizen must complete the Citizen Removal Appeal Form (“**Appeal Form**”) attached as Appendix A to this Policy, and detail their reasons for the appeal based on the appeal grounds set out above. No new documentation may be submitted as part of the appeal process.
 7. The Appeal Form must be submitted by the affected MNO citizen to the individual or firm appointed to manage the administrative aspects of the appeal (the “**Appeal Administrator**”). The Appeal Form must be received by the Appeal Administrator on or before the last day of the 90 days’ notice period to avoid removal under step 3 above.
 8. The Appeal Administrator shall forward the Appeal Form to the Registrar within a reasonable period. The Registrar shall maintain authority to “revoke” (i.e., reverse) the Removal Notice throughout the course of the appeal process if they determine, at any time, that an MNO citizenship file is now “complete” and meets the current requirements for citizenship as set out in the MNO Bylaws and *MNO Registry Policy*.

Stage 3: Document Sharing Between the Parties to the Appeal

9. Upon receipt of the Appeal Form, the Registrar shall forward copies of the Removal Notice, assessment letter, and any re-assessment letters (the “**Appeal File**”) to the Appeal Administrator. Best efforts will be made by the Registrar to forward the Appeal File within 30 days of receiving the Appeal Form.
10. Upon receipt, the Appeal Administrator will forward a copy of the Appeal File and Appeal Form to the individual appointed by the PCMNO to independently review and consider the appeal (the “**Appeal Decision-Maker**”) based on this Policy. A copy of the Appeal File will also be provided to the MNO citizen in digital form only, subject to any confidentiality requirements identified by the Registrar.

Stage 4: The Appeal Decision

11. The Appeal Decision-Maker will review the Appeal Form and Appeal File, and issue a written decision with reasons confirming whether or not they believe a ground for the appeal has occurred (“**Appeal Decision**”). For clarity, the Appeal Decision-Maker has authority to “impose” (i.e., affirm) the Registrar’s Removal Notice, but not “revoke” (i.e., reverse) it. Best efforts will be made by the Appeal Decision-Maker to provide the Appeal Decision within 60 days of receiving the Appeal File.

Policy #2023-001: Citizen Removal Appeals Policy

(Adopted by the MNO Special Assembly held on June 17, 2023)

12. An MNO citizen whose appeal is unsuccessful shall be removed from the MNO Registry and cease to be an MNO citizen immediately after receipt of the Appeal Decision.

Stage 5: Reconsideration Decision

13. An MNO citizen whose appeal is successful based on one of the appeal grounds set out above shall have their citizenship file sent back to the Registrar for reconsideration, taking into account the appeal grounds identified in the Appeal Decision.

14. After review of the Appeal Decision, the Registrar shall issue a written decision with reasons to the MNO citizen (the “**Reconsideration Decision**”) confirming whether or not the Registrar’s original decision has been affirmed or reversed. Best efforts will be made by the Registrar to provide the Reconsideration Decision within 60 days of receiving the Appeal Decision.

15. If the Registrar reverses its original decision and decides the citizen’s file meets the current requirements for MNO citizenship, the MNO citizen shall remain on the MNO Registry and be issued a new MNO citizenship card.

16. If the Registrar affirms its original decision that the citizen’s file does not meet the current requirements for MNO citizenship, the individual shall be removed from the MNO Registry and cease to be a citizen of the MNO immediately after receipt of the Reconsideration Decision by the MNO citizen. The Reconsideration Decision is considered final and binding with no further right of appeal.

For a visual illustrating the above-noted removal and appeal process, see Appendix B of this Policy. For clarity, Appendix B has been provided for reference and illustrative purposes only, and the terms of this Policy shall govern to the extent of any conflict or inconsistency.

4. Compliance with the *Not-for-Profit Corporations Act*

While the MNO—as a Métis government—asserts it has the right to determine who are its citizens based on the inherent Métis right to self-government and self-determination, this Policy also fulfills the requirements in the *Not-for-Profit Corporations Act* for membership removal to be undertaken in “a fair and reasonable manner,” and that the requirements set out in section 51(3) of the *Not-for-Profit Corporations Act* are met.

The discharge of the processes set out in the Policy equate to good faith under section 51(2) of the *Not-for-Profit Corporations Act* being demonstrated to an MNO citizen who has received a Removal Notice. No further rights or procedural fairness is owed.

5. Effect of Technical Non-Compliance with the Policy

A failure to comply with this Policy is an irregularity and does not render a Removal Notice, an Appeal Decision, a Reconsideration Decision, or the removal of an MNO citizen from the MNO Registry a nullity, invalid, or otherwise ineffective.

Policy #2023-001: Citizen Removal Appeals Policy

(Adopted by the MNO Special Assembly held on June 17, 2023)

6. Interpretation

The terms of this Policy shall be given such fair, large, and liberal construction and interpretation as best to ensure the attainment of its objects. Nothing in this Policy shall be interpreted in a way that alters or modifies the MNO Bylaws or *MNO Registry Policy*. To the extent of any conflict, the MNO Bylaws or *MNO Registry Policy* shall prevail.

For clarity, no appeal under nor any provision in this Policy, including related to the Appeal Decision-Maker's review of the Registrar's decision shall be interpreted as altering or changing the Registrar's authority, as set out in the MNO Bylaws and *MNO Registry Policy*, to be the ultimate and final decision-maker as to whether an individual meets the current citizenship requirements of the MNO.

In addition, no provision in this Policy, nor an MNO citizen's participation in an appeal under this Policy, creates any rights beyond those set out in the MNO Bylaws.

7. Adoption and Implementation

This Policy was adopted by a special resolution duly passed at the MNO Special Assembly held on June 17, 2023, based on the MNO's inherent right to self-determination and self-government as well as the authorities set out in the MNO Bylaws.

Any decision made under this Policy following its Effective Date are final and any subsequent changes made by an MNO AGA to this Policy shall not invalidate any previous response made under this Policy or give rise to a claim against the MNO.
