Credit River Métis Council Community
Council Electoral Code**

PART B¹

Article B1 PURPOSE AND SEAL

- B1.1 The purpose of Part B of the *MNO Electoral Code* is to establish fair, open and democratic procedures and rules for the elections of MNO community councils.
- B1.2 The seal, an impression whereof is stamped in the margin hereof, is the seal of the Métis Nation of Ontario Secretariat (“MNO”). This seal affirms that this Part B of the *MNO Electoral Code* shall be known as the official *Community Council Electoral Code* for MNO Charter Communities.
- B1.3 This Part B of the *MNO Electoral Code* is herein established and contains the rules and procedures that shall henceforth govern the elections of community councils and shall be known as the *Community Council Electoral Code*.

Article B2 INTERPRETATION AND DEFINITIONS

- B2.1 In this *Community Council Electoral Code*, all words and phrases are intended to be consistent with and have the same meaning as words and phrases in Part A of the *MNO Electoral Code*, the *MNO By-Laws*, and the *MNO Community Charter Agreement*. In the event of any inconsistency, the meaning in Part A of the *MNO Electoral Code* or the *MNO By-Laws* shall prevail to the extent of the inconsistency.
- B2.2 Unless otherwise defined below, words and phrases may be adapted from the definitions in Part A to suit the circumstances of a community council election as necessary. For example,² “election” in this *Community Council Electoral Code* refers to an election of the community council rather than an election of the PCMNO.
- B2.3 Unless the context otherwise requires, words imparting the singular number or the masculine gender shall include the plural number or feminine gender, as the case may be, and vice-versa.
- B2.4 In this *Community Council Electoral Code*, the following definitions apply:
“Charter Community” means a Métis community in Ontario that has entered into and maintains in good standing a valid *MNO Community Charter Agreement*,

¹ Part B of the *MNO Electoral Code* was originally approved by the PCMNO on November 22-23, 2001 and was first registered by MNO legal counsel as the official MNO Community Council Electoral Code in February of 2002.

² Clerical update: spelling and grammar correction to entire document as approved at PCMNO meeting 2023-12-11

“chief electoral officer” means the person appointed by the PCMNO pursuant to Part A of the *MNO Electoral Code*;

“community council” or “council” means a duly elected body of MNO citizens that represents a Charter Community,

“election announcement” means an announcement issued pursuant to Article B6 of this *Community Council Electoral Code*;

“electoral officer” or “election committee” means a person or group of persons appointed by the community council to oversee and take responsibility for the election pursuant to Article B4.1. As appropriate, references in this *Community Council Electoral Code* to an electoral officer include an election committee and vice versa;

“good standing” means a valid *MNO Community Charter Agreement* that is recognized by the MNO as active and that is not under an order of revocation or suspension by the MNO. If, in the opinion of the MNO, the Community Council has ceased to effectively function for a period of 6 months, then the Community Charter is deemed to be no longer active. A Community Charter can be reactivated with the consent of the MNO, by means of a Community Council resolution, whereby the restored Community Council agrees to adopt and abide by the terms and conditions of its *MNO Community Charter Agreement*, its Community Code, the *MNO By-Laws* and the *MNO Statement of Prime Purpose*.

“individual operating a polling station” or “person operating a polling station” means a duly authorized electoral officer, member of the election committee, returning officer or poll clerk, all as appointed pursuant to this *Community Council Electoral Code*;

“ordinarily resident” means a person who actually lives and has lived continuously within the community council’s geographic territory as described in its *MNO Community Charter Agreement* for at least one (1) month immediately prior to the date of the community council’s election announcement. Such person must have a permanent residence (i.e. address) within the community council’s geographic area. In making such determination, temporary absences from the community for reasons such as travel, education, medical treatment, military service or incarceration shall be considered periods of residence provided the person was ordinarily resident prior to such temporary absence. Such person can have only one place of ordinary residence.

B3.1 The date of the election shall be the date determined by a majority vote at a duly constituted community meeting or meeting of the community council.

Article B4 ELECTORAL OFFICER, ELECTION COMMITTEE AND MNO CHIEF ELECTORAL OFFICER

 5. Should the Electoral Officer identify a possible breach of the code, the Electoral Officer shall engage with the Chief Electoral Officer, who shall review and administer the possible breach.

B4.2 After the appointment of an electoral officer and/or election committee pursuant to Article B4.1, no elected community councilor or PCMNO councilor shall in any way attempt to influence, advise or otherwise interfere with the authority of the electoral officer or the elections process.

B4.3 The PCMNO is responsible to ensure that each community council election throughout the province is conducted fairly and impartially and is operated in a manner consistent with the *MNO Electoral Code*, the *MNO Community Charter Agreement*, and the *MNO's By-Laws*. The PCMNO may take any steps necessary to ensure these responsibilities are met.

B4.4 An elector or candidate may bring forward issues or concerns relating to the operation of the election to the electoral officer, who may make a decision or determination on the issue or concern. The electoral officer may consult with the chief electoral officer on any questions, issues or interpretations relating to the operation of the election. A decision, direction or interpretation of the chief electoral officer is final and binding for the purposes of that election.
