Introductory Message about work in 2025-26

Throughout the year, I remained actively engaged in representing Métis students and bringing their perspectives to conversations across the MNO. I participated in regional gatherings, self-government and Constitution discussions, educational initiatives, and youth-focused planning. I also had opportunities to represent the MNO at provincial and national events and contribute to projects that share Métis culture, identity, and personal stories. Through this work, I have continued to strengthen connections with Métis students and communities while ensuring student voices are part of the broader work of the MNO.

Highlights and Key Achievements

I attended the signing of an MoU between the MNO and YorkvilleU in May,
I am assisting with YLC planning,
I attended various summits and meetings to discuss the content of the MNO constitution
I attended a teachers' workshop with the MLIA as a panelist
I recorded a radio session where I spoke to my relationship with my Metis grandfather, in French, with members of the MLIA
I attended the 2026 Ottawa Region Metis Council AGM
I represented MNO students at several regional rendezvous, such as the Region 5 rendezvous in North Bay in July 2026 and the Region 1 Rendezvous in Fort Frances in September 2025
I represented the MNO as an alternate during the MNC AGA in Ottawa in December 2025
I recorded a podcast with MNOWC President Samantha Loney, to be launched in Fall 2026
